The Lindsey Street Widening Project from the railroad tracks to Jenkins Avenue is a \$5.1 million street improvement project. Construction began On Monday, June 13, 2011. The Oklahoma Department of Transportation is responsible for the construction of the project and the prime contractor is Shell Construction of Oklahoma City.

On Tuesday, December 13, 2011, the contractor will move the traffic from the south lanes on Lindsey Street to the north lanes of Lindsey Street. There will be no access to Lindsey Street from Garfield Avenue or McKinley Avenue. Access to Garfield Avenue or McKinley Avenue will be provided from Jenkins Avenue through Farmer Street or Stinson Street for an alternate route during the closures. Signs will be placed accordingly to direct the traveling public.

Additional questions may be directed to Scott Sturtz, City of Norman Capital Projects Engineer, at 366-5454.
